News from the Nest News from the Nest

May Edition 2017

[Welcome to the May edition of the Mighty Magpies – News from the Nest!!!](#)

[Correction](#) in the April edition I stated; *The Cross-Conference Rounds with NSW North Coast AFL had a new format that would include both Leagues under the one (1) competition for the first time, with a combined final series.* At that time, both AFL Queensland and AFLNSW North Coast were working on the final format. However, because of Scheduling and the Travel Component; it was decided, the *Status Quo* remain and the Two (2) Separate Final Series continue. Disappointing, I was pretty *EXCITED* with the possible new format...

[Byron's season](#) has got off to a *FLYER* - dominating their first five (5) outings... the new signings have fitted in wonderfully, on & off the field and added all the elements to a side, I regard; more dangerous than the Premiership side from last season... the proof is in the pudding; twice scoring over 200-points in a match, while only allowing an average 15-points in five (5) rounds to their opponents, placing the Magpies firmly atop the Northern Rivers Ladder with a *WHOPPING 1100 percent*... The Reserves' "*SWOOPER'S*" as they are known; are also in fine fatal having comfortably won their first two (2) encounters and sit clear on top as-well...

[Club Milestone's](#) Heath Griggs joined an illustrious group of Magpies' playing his 50th game for Byron with a short trip to Grafton earlier this month... The talented utility and 'pies' mosquito fleet member is an integral part of Byron's success in recent seasons... **CONGRATULATIONS** Griggys, I'm looking forward to your next 50-games...

Right; Heath Griggs slices the ball past a Ballina Defender
